Including Baileys Insurance endorsement A (04/2020)

Baileys Insurance Agreed Extensions Clause A (PleasureCraft) [04/2020]

(applicable to PleasureCraft policies only)

The Vero Marine PleasureCraft policy is amended by the deletion and replacement of the Definitions, Policy terms, Policy Exclusion and Optional Additional Benefit clauses below.

Definitions

- **Agreed value** means the value of *your boat* that *you* and *we* have agreed at the time of insuring *your boat* or at any renewal. This value will be inclusive of Goods & Services Tax. It is the amount that will be paid in the *event* that the entire *boat* is a *Total Loss*. From time to time *we* may require *you*, at *your* cost, to provide an updated independent valuation.

The definition of "**Racing**" in the Marine Pleasurecraft Policy wording is deleted and replaced by:

"Competitive yacht racing" means when *your boat* is entered, and participating, in an organised competition, regatta or other race event. *Your boat* is then entered in and participating in a competitive yacht race. *Your boat* is not *competitive yacht racing* when participating in *social yacht racing*.

"Social yacht racing" means any yacht racing which

- a) does not include the use of spinnakers and/or extras; and
- b) does not exceed a distance of 50 nautical miles, measured along the most direct route of the course.

Policy terms

What we will pay

For loss or damage to your own property insured by this policy:

As *your boat* is insured at an *agreed value*:

we will pay *you* the *agreed value* of *your boat* as stated in the policy schedule should it be a *total loss* or a *constructive total loss*.

We will not pay for unrepaired damage in addition to a *total loss* or *constructive total loss*. If *we* pay *you* for a *total loss* or *constructive total loss* *you* agree that *we* are entitled (but not obliged) to take ownership of any salvage or remaining insured property.

For other claims under this policy, *we* have the option:

- a. to settle up to the sum insured as stated in the policy schedule, by payment, reinstatement or replacement, or
- b. to repair, or take or require to be taken, tenders for repair.

If any repair or replacement makes an improvement to the pre-accident condition or value of *your boat* and other equipment, then *you* may be required to make a contribution towards the cost of repairs. A contribution from *you* will be required if the item that has been repaired or replaced is more than 5 years old for sails, fabric protective covers and outboard motors.

Following a claim *we* have accepted which involves painting, recoating or treating a damaged area of *your boat* following repair, *we* may, at *our* option, pay for painting, recoating or treating adjacent undamaged areas to match colours and finish. If *we* do, *we* may require a contribution from *you*.

Excess

The excess shown in the Policy Schedule will not apply to any claims incurred while *your boat* is berthed or moored at the marina or jetty named in the Policy Schedule as the usual place of storage.

Optional Additional Benefits

Competitive yacht racing risk extension for sailboats

If you have specified Racing Risks as a separate item to be insured, and it is stated in this policy's Schedule as being included, the following cover applies:

If you are *competitive yacht racing* or preparing to race your sailboat in a *competitive yacht race* and it suffers *accidental* loss or damage, then we will pay the cost of repair or replacement of your sails, masts, spars, booms, spinnaker poles, and standing or running rigging.

This extension will be subject to the Racing Risk excess stated in this policy's Schedule.

Fishing or Diving Equipment kept aboard your boat

Where your boat is insured with us under this policy, and where you have specifically included *fishing or diving equipment* as separate items to be insured, and there is an amount stated in this policy's Schedule, the following cover applies:

We will provide cover for *fishing or diving equipment* whilst aboard your boat where not otherwise insured. (Usually such equipment is insured under a household contents insurance policy). We will pay up to the actual *market value* of your *fishing or diving equipment* per event, up to the amount stated in this policy's Schedule.

A single item limit of NZ\$500 applies, unless an individual item of *fishing or diving equipment* is stated in this policy's Schedule for a greater amount.

If your boat is moored or at anchor and you are not on board, *fishing and diving equipment* will not be covered for *theft* unless it is within a securely locked cabin or locker. If your boat is ashore, *fishing and diving equipment* will not be covered for *theft* unless it is within a securely locked cabin or locker, or the boat is in a secure and locked building.

Policy Exclusions

We will not pay for...

loss or damage caused by wear and tear, or lack of maintenance; and any resultant damage to your boat where the cause is reasonably attributable to a lack of your due diligence regarding maintenance.

2. We will not pay for any loss or damage...

- h) to sails, masts, spars, booms, spinnaker poles, and standing or running rigging, when *competitive yacht racing* or preparing for a *competitive yacht race*, except where:
 - i. the Optional Additional Benefit: *Competitive yacht racing* risk extension for sailboats applies;
 - ii. the loss or damage is caused by your boat being stranded, sunk, burnt or on fire, or in a collision with another boat or external object other than water.

Policy Terms

You have a duty of disclosure

You have a duty of disclosure when *you* apply for insurance. This means *you* must tell *us* everything *you* know, or could reasonably be expected to know, that *we* as a prudent insurer would want to take into account when deciding to accept or decline *your* insurance, or determining the cost or terms of this insurance, including the excess.

You also have this duty of disclosure every time *your* insurance renews and when *you* make changes to this insurance. *You* must tell *us* everything that may be material to *our* decision to issue, renew or alter the policy and *you* must tell *us* of any changes to any circumstances relevant to this insurance as soon as *you* know about them. For example, *you* must tell *us* of any performance and/or structural *modifications* which have been made to *your boat* since insuring it with *us*. If *you* breach this duty *your* insurance will be avoided as if it never existed.

Please ask *us* if *you* are not sure whether *you* need to tell *us* about something.

We will provide

We will provide the cover set out in this policy subject to the Policy Terms, Policy Exclusions and Policy Conditions during the *period of insurance* stated in the most recent policy schedule provided *you* have paid the *premium*. *Your* insurance contract consists of three parts which form the basis of *your* insurance cover:

- a. this policy document, and
- b. the personalised policy schedule with details of the cover which applies to *you*; and
- c. the information in the proposal, application and declaration

whether *you* have received or provided this information verbally, or have completed, accessed, or received versions of these documents electronically or in printed form.

We will insure you

We will insure *you* for an *accident* to *your boat* anywhere in New Zealand during the *period of insurance*. However, if *your boat* is *amphibious*, *we* will not insure *your boat* whilst it is being used on a *road* as a *vehicle*.

We will also cover physical damage to *your boat* that is caused by any *latent defect*. However, *we* will not cover the cost of repairing or replacing any defective part or component.

We will cover *your boat's gear* for *accidental* loss or damage whilst on board *your boat* and whilst *your boat* is in use, or whilst locked in a cabin or locked space when *your boat* is left unattended when moored or on its *trailer*, or whilst temporarily removed from *your boat*:

- a. for the purpose of repair;
- b. for storage in securely locked premises;
- c. while being taken to or from repair or storage;

provided those items are not insured under any other insurance policy.

We will insure *you* for any *accidental* loss, damage, or expense *you* incur under the Benefits below; and Optional Additional Benefits that *you* have selected.

The cover *we* provide for *your boat*, the Benefits, and Optional Additional Benefits are subject to both the Policy Exclusions and Policy Conditions.

What we will pay

If *your boat* is insured at an *agreed value*:

we will pay you the agreed value of your boat as stated in the policy schedule should it be a *total loss* or a *constructive total loss*.

If *your boat* is insured for its *market value*:

we will pay you the market value of your boat up to the sum insured as stated in the policy schedule should it be a *total loss* or a *constructive total loss*.

In either case, we will not pay for unrepaired damage in addition to a *total loss* or *constructive total loss*. If we pay you for a *total loss* or *constructive total loss* you agree that we are entitled (but not obliged) to take ownership of any salvage or remaining insured property.

We will pay the actual *market value of your boat's gear* up to the sum insured as stated in the policy schedule, but not exceeding what it would cost to repair or replace the item(s) with a similar item(s).

For other claims under this policy, we have the option:

- c. to settle up to the sum insured as stated in the policy schedule, by payment, reinstatement or replacement, or
- d. to repair, or take or require to be taken, tenders for repair.

If any repair or replacement makes an improvement to the *pre-accident* condition or value of *your boat* and other equipment, then *you* may be required to make a contribution towards the cost of repairs. A contribution from *you* will not be required provided the item that has been repaired or replaced

- a. is less than 1 year old at the date of such loss or damage, or
- b. is less than 3 years old for sails, fabric protective covers and outboard motors.

Following a claim we have accepted which involves painting, recoating or treating a damaged area of *your boat* following repair, we may, at *our* option, pay for painting, recoating or treating adjacent undamaged areas to match colours and finish. If we do, we may require a contribution from *you*.

Benefits included in your cover

We will also pay for the following Benefits which are subject to the policy definitions, clauses, exclusions, conditions and limits.

Additions

If you purchase any fixtures, fittings or *boat's gear* for your boat during any one *period of insurance*, we will automatically provide cover provided that you produce receipts in the event of *accidental* loss or damage. You must advise us of these additions and their values, prior to the end of the *period of insurance* during which you purchased them. When advised, we will adjust the sum insured and *premium* effective from the commencement of the following *period of insurance*.

The maximum amount payable in any *period of insurance* under this benefit is \$5,000 for *trailer craft* and \$25,000 for *moored craft*.

Boat Change

If you replace your boat, we will insure your replacement boat for its *market value* (or if specifically agreed by us, its *agreed value*) on the same terms that applied to the original boat stated in the policy schedule, but only if:

- b. You pay any extra *premium* which we may require; and
- c. The *market value* of the boat purchased is no more than 10% greater than the current boat; and
- d. The replacement boat is of a similar type and construction.

You must notify us as soon as possible and pay any additional *premium* we require. This benefit does not apply if this policy is cancelled by you or us.

If you have an *accident* for which there is a valid claim under this policy, we will pay the reasonable incurred costs of:

- b. having your boat removed to the nearest repairer or place of safety;

all to a maximum of \$25,000 for any one event; and

The maximum amount payable under this benefit is \$10,000 for any one *event*.

Loss of Entry Fees

Where *you* have entered into any on-water event for which *you* have paid an entry fee, such as a regatta or fishing competition, but *you* can no longer take part as *your boat* is damaged beforehand, and that damage is accepted by *us* as a payable claim, *we* will reimburse *you* for *your* net loss. *Your* net loss is the residual amount of entry fees expenditure *you* are unable to reclaim on advising the event organisers immediately on *you* discovering the damage to *your boat*. The maximum *we* will pay under this benefit is \$1,000 in any one *period of insurance*.

Medical Payments not covered by ACC

If any person suffers *injury* in direct connection with *your boat*, when stepping on to, or whilst on board, or when stepping from *your boat* whilst afloat or whilst *your boat* is being put into or retrieved from the water, *we* will pay the reasonable medical and ambulance expenses of each person, up to the maximum amount of \$2,000 in total for all *events*, during any one *period of insurance*. These payments must not be covered by ACC and must be incurred within one year of the *accident*.

Personal Effects

We will cover *your personal effects* for *accidental* loss or damage while they are on board or being carried on to or whilst being carried off *your boat*. However, for cover for *theft*, *personal effects* must be within a securely locked cabin or locker if *your boat* is left unattended. We will pay the actual *market value* of *your personal effects*, but not exceeding what it would cost to repair or replace the item(s) with a similar item(s). The maximum amount payable under this benefit per *event* is:

- a. \$1,000 if *your boat* is a *trailer craft*; and

- a. the following amounts (up to a maximum of \$15,000 per person and \$30,000 for any one *event*) arising out of any insured *event*, provided such *injury* is the sole cause of any of the following within three calendar months of the *injury* occurring:

We will not pay where death or *injury* was caused by suicide or attempted suicide.

Premium Credit

Where we agree *your boat* is a *total loss* and we insure *your* replacement *boat*, we will credit the unused *premium* towards insurance on the replacement. We will only do this if:

- a. the person in control of *your boat* was completely free of blame; and
- b. the identity of the other party that caused the damage is established.

Transportation and Accommodation Costs

If *your boat* is so damaged that it cannot be used, and we have accepted a claim under this policy, we will also pay the reasonable costs incurred by *you* for accommodating and transporting *you*, *your* crew and passengers, and *your* pets, to *your* usual place of residence, or to the mooring, marina or boat ramp from which *your* journey commenced. The maximum amount payable under this benefit is \$2,000 for any one *event*.

Optional Additional Benefits

If *you* have specified Racing Risks as a separate item to be insured, and it is stated in the policy schedule as being included, the following cover applies:

 - ii. collision with another *boat* or external object other than water

To gain benefit of any cover under this policy, they must also meet all the same conditions and obligations that *you* are required to meet.

Assignment

You must not assign or attempt to assign this policy or *your* interest in this policy to any other person or party without *our* written consent.

Breach of Policy Terms, Policy Exclusions or Policy Conditions

The cancellation will take effect at 4.00 pm on the 7th day after the communication has been sent. *We* will refund the unused part of *your* paid *premium*. *You* may cancel this policy by giving written notice to *us*. *We* will refund the unused part of *your* paid *premium* less *our* short-term rates provided that *you* have not made a claim.

Care of *Your Boat and Trailer*

You must:

- a. at *your* cost or expense, take all reasonable steps to prevent loss or damage to *your boat* and *trailer* and maintain *your boat* and *trailer* in good repair. When in use, *your boat* must be seaworthy and *your trailer* must be roadworthy.
- b. secure *your personal watercraft* to the *trailer* or conveyance with a *recognised security device* when *your personal watercraft* is not in use.
- c. secure *your trailer* with a *recognised security device* when unattended, unless the *trailer* is within a fully enclosed and secured building. Where *your trailer* is not secured, an additional \$2,500 excess applies for claims involving *theft* of the *trailer*.

Correctness of Statements and Fraud

The proposal, application or declaration form is the basis of this contract. All statements made by *you* or on *your* behalf on any of these forms or otherwise in support of this policy or any claim must be complete and correct in all respects. If any claim under this policy is supported by any incorrect statement or is in any respect fraudulent then *your* claim is not payable and this entire policy automatically terminates from the date that the incorrect information was supplied to *us*, or the statement or fraudulent claim was made to *us* and *we* will not refund the unused part of *your* paid *premium*.

Joint Insureds

Where this policy is issued in joint names, then this policy is a joint policy. This means that if one of *you* does or fails to do anything so that there is no cover, there will be no cover for any of *you* - not just the person responsible.

Jurisdiction

This policy is governed by New Zealand law and the New Zealand courts have exclusive jurisdiction over any legal proceedings.

Monetary Amounts and GST

All monetary amounts are New Zealand dollars, and include Goods and Services Tax (GST).

Other Insurance

This policy does not cover loss or liability where cover is already provided by other insurance. We will not contribute towards any claim under any other policy.

Other Interests

If *your boat* is mortgaged or secured by any other financial agreement, we may make payment for any loss direct to the interested party. This will meet our obligations under this policy.

Claims

On the happening of any *event* that may give rise to a claim under this policy, *you* must:

1. Notify *us* of such *event* or occurrence as soon as possible and
 - a. Take all reasonable steps to minimise the extent of loss;

 - c. Obtain *our* consent before proceeding with repairs;
 - d. Make any damage available for inspection by *us* and/or provide *us* with photographic evidence of any damage should a health and safety issue warrant immediate removal or destruction;

 if *our* requests are reasonable.

Failure to comply with conditions 1.a. to 1.h. may result in *your* claim being declined or, if the claim has already been settled, *we* may require *you* to return funds paid by *us*.

2. *You* must not, without *our* prior written consent, incur any expense or negotiate, pay, settle, admit, repudiate or make any agreement in relation to any claim. *We* may assume control and conduct of any claim and any counterclaim, or the defence of any charge or prosecution covered by this policy including but not limited to the appointment of lawyers.
3. *We* will decide the best way to advance *your* claim, including inspecting any damage, choosing the repairer or supplier, and arranging for the repair or replacement. If *we* choose to repair or replace *we* will seek independent quotes from *our* repairers or suppliers. If *you* wish, *you* can recommend a repairer or supplier to provide a quote for consideration. *We* will select who is to repair or replace, arrange for this to be done, oversee any repairs and keep *you* informed of progress.
4. *We* will be entitled, at *our* expense and in *your* name, to take any proceedings necessary to obtain relief from any other party and to take over and conduct the defence and settlement of any claim. At *your* cost *you* must provide all reasonable assistance and co-operation.
5. When *your* claim has been accepted by *us*, *we* may direct disposal or salvage. Unless *we* have accepted abandonment, *you* retain all *your* property rights and legal liabilities.
6. *You* authorise *us* to disclose information to third parties in relation to any claim that *you* make under this policy. *You* also authorise *us* to obtain information from third parties that is relevant to any claim that *you* make under this policy.
